

U.S. Commercial Service

International Women's Day 2022 Webinar

Advancing Women in Tech

In honor of International Women's Day and Women's History Month, together with Amcham Finland, SelectUSA, and Nordic Tech Advocates we present a webinar to help advance women in tech. This event welcomes women professionals from students to founders, entrepreneurs, executives, and their advocates to network, increase their knowledge on existing organizations for women, find collaboration opportunities and discuss investments to the USA.

Program

- **Welcome remarks:** Aaron Held, Senior Commercial Officer, U.S. Embassy
- **Your network is your superpower:** Alexandra Pasternack-Jackson, CEO, Amcham Finland
- **Building a successful career as woman in tech:** Jeanette Carlsson, Founder & CEO, and Eeva Haaramo, Comms & Media Lead, Tech Nordic Advocates
- **Introducing international female tech entrepreneurs to the U.S. market:** Stephanie Rothman, Investment Consultant, SelectUSA
- **Q&A**
